

## Air Cube - 110V

**NEW**

Designed to remove airborne particles generated during construction the Aircube reduces the risk of harm to people in the vicinity and prevents costly clean up. A hardwearing design with easy change filters that recycles air in compliance with new Workplace Exposure Limit Regulations.

**Dust Control 111600**

## Technical Specifications

<b>Make</b>	Dust Control
<b>Model</b>	111600
<b>Airflow</b>	Low Speed - 200m <sup>3</sup> /h High Speed 400m <sup>3</sup> /h
<b>Outlet</b>	125mm diameter
<b>Weight</b>	13kg
<b>Dimensions (LxWxH)</b>	3400x3800x3800mm
<b>Noise Level</b>	High Speed - 67dBA
<b>Noise Level</b>	Low Speed - 48dBA
<b>Power</b>	170W
<b>Vibration Level</b>	<2.5m/s <sup>2</sup>
